Money and Gifts in kind are acknowledged at the time of receipt, but the Board desires to take this opportunity of expressing its very sincere thanks to all who have helped the Hospital, either by personal service or financially, during the year.

The Annual Report is, of necessity, still very much curtailed, but additional information regarding the working of the Hospital may be obtained upon application.

WAR MEMORIAL APPEAL

for £250,000

REALISING the need of extending the Hospital and of effecting many alterations under a post-war re-construction scheme, the Governors and Board of Management have launched a War Memorial Appeal for £250,000.

Under the Presidency of the Earl Spencer, an Appeal Committee has been elected, consisting of representatives of the Hospital Board of management, The Hospital Guild, and the Northampton Hospital Week Committee. Councillor W. T. Grose has been appointed Chairman of the Committee. The Board of Management appointed Mr. R. C. T. Dyer (Secretary of the Hospital's Contributory Schemes) as Organising Secretary.

It is hoped that all persons in any way interested in the Hospital, will do everything possible to make the Appeal a success

NORTHAMPTON GENERAL HOSPITAL GUILD.

REPORT

FOR THE YEAR 1944.

The Management Committee and Council of the Northampton Hospital Guild have pleasure in submitting their Sixth Annual Report and Accounts, being in respect of the year ended 31st December, 1944.

CONTRIBUTORY SCHEME INCOME

It is very gratifying to be able to report a further increase in the total income of the Contributory Scheme. The No. 1 Contributory Scheme has produced during the year £46,274 11s. 4d., whilst the No. 2 and Private Ward Schemes have realised £1,715 12s. 10d. and £740 15s. 0d. respectively. The total income of £48,730 19s. 2d. is £225 11s. 5d. in excess of the income for 1943.

This most satisfactory state of affairs is a source of gratification to the Committee of Management. The growth of the Contributory Scheme since 1938 must be an outstanding feature in the records of the Northampton General Hospital, having even surpassed expectations at the time of reorganisation in that year. The total Contributory Scheme income in 1938 was approximately £21,000, this amount in six years has been more than doubled.

AUXILIARY BENEFITS

Although the number of grants made towards Spectacles and Surgical Appliances during 1944 have not been as numerous as in the previous year, more patients have availed themselves of Convalescent Treatment and Ambulance facilities. It is to be expected that as the Ambulance Benefit becomes more widely known, the expense in this direction will increase. Your Committees are satisfied, however, to know that the Ambulance Grants in aid Scheme is proving a great benefit to patients, especially those who have to travel a considerable distance to the Hospital.

	Grants
Spectacles	870
Surgical Appliances	357
Convalescent Treatment	24
Ambulance Transport	616

WAR MEMORIAL APPEAL

During the year the Hospital Board of Management launched an Appeal for £250,000. It is pleasing to record that the Secretary of the Contributory Schemes and Hospital Guild, Mr. R. C. T. Dyer, has been appointed by the Board of Management, the Organising Secretary of this great effort. It is hoped that the town and village Committees associated with the work of the Hospital will play their part to the full, in making this Appeal successful in its aim of enlarging the Hospital by 150 beds, and altering the essential services and other Departments of the Hospital.

THANKS.

In an abbreviated Report it is difficult to adequately thank the workers throughout the Hospital's area who have so loyally supported the Contributory Scheme and other activities of the Hospital during another year of war. With so many demands being made upon all those who are willing to work, your Committee appreciates the loyalty and devotion which has been shown to the Hospital. It is hoped that all who have assisted in any way whatever, will accept sincere thanks. A tribute must be paid to the work done by the Secretary and staff of the Contributory Scheme Department during the year.

RESIGNATIONS.

Owing to ill-health, Mr. A. H. Hardy, a member of the Council, has been compelled to resign office. Thanks are expressed to Mr. Hardy for his work and association with the Council, and good wishes are extended to him for a complete recovery. Mrs. I. Tupholme, of Orlingbury, has also tendered her resignation, which has been accepted with regret by the Council.

THE FUTURE.

It is impossible to judge what the future holds for Contributory Schemes. The Executive Committee of the British Hospitals Contributory Schemes Association is watching carefully the interests of Contributory Schemes in relation to the Social Security Scheme. Suffice it to say that Contributory Schemes must for the present play a very important part in the maintenance of Voluntary Hospitals. We, therefore, ask all our workers and contributors to support us to the full during the coming year.

GEORGE LEWIS, *President.*

S. A. BETTS, *Chairman.*

R. C. T. DYER, *Secretary.*

PROCEDURE for OUT-PATIENTS and for PROSPECTIVE IN-PATIENTS, other than ACCIDENTS & EMERGENCIES

Patients, with the exception of those mentioned below, are seen only by appointments booked in advance at the Appointment Bureau in the Out-Patient Department.

All applications must state the patient's name, address, the nature of their complaint, the name of the doctor their own doctor wishes them to see, and whether this is their first attendance, and should be made either personally, by letter or telephone (No. 4680) between the hours of 9 a.m. and 5.30 p.m.

Applications for appointments with the Gynæcological and Obstetrical Surgeon must also state whether or not the patient is a maternity case.

Out-Patients must bring their own Bottles for Medecine.

Patients for Physio-Therapy treatment should first be seen in the Out-Patient Department and must book an appointment in advance.

Patients who are required by their doctors to have an X-ray examination should attend at 10 a.m., on any day except Sundays. No appointment is needed unless the examination is one which requires special preparation such as examination of alimentary and urinary tracts, gall bladder, etc., in which case it is necessary for an appointment to be booked beforehand. Appointments may be booked in writing or by telephone, but if patients live locally it is advisable that they, or friends or relatives on their behalf, should obtain an appointment, instructions and medicine by a personal visit to the X-ray Department. Before proceeding to the X-ray Department for the Examination the patient must call at the Appointments Bureau in the Out-Patient Department for recording purposes.

Patients seen without Appointments.
